Alumni Feedback

Remarks / Recommendations (if any)	Action Taken
Things are a little different in industries than academics so arrange programs that can bridge this gap. Like an interview session on that industry knowledge so students will be ready to face such situations practically.	1. Pre-placement activities are scheduled by the Institute/Department placement coordinators.
Nothing	2. Guest lectures from Alumni are arranged for carrier guidance, insights for recent trends in technology.
NA	3. Alumni meet are arranged to help juniors to interact with Alumni so that they can learn more about industries, placement processes, etc.
