Event Details

Introduction:

SVKM's Institute of Technology have established Institute Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, MHRD, Govt. of India. Under this council, all departments are conducting series of programs including IIC Calendar Activities as well as Self Driven Activities. SVKM's IOT IIC established on 11-09-2020 for the Academic Year 2021-22.

As a part of this series, Department of Electrical Engineering conducted a Poster Making and Presenting Competition on 14th December 2021 at 3 p.m. with one of the IIC day celebration Activity on “**National Energy Conservation Day**”.

Highlights of Poster Making and Presenting Competition

Whole event of Poster making and presenting competition was organized on 14th December, 2021 from 11:30 a.m. to 3:30 p.m. at Electrical Engineering Dept. of SVKM's IOT premises. Organizers of the event provided some materials, like Drawing sheets, Pencils, Erasers, sharpeners and Crayons colours. The students expressed their views and thoughts about the great and novel ideas as well as on **Energy Conservation** by drawing, writing slogans and quotes. One could see and feel the enthusiasm that the students had in their presentation. This activity kept the student engaged and it was organized to explore and encourage creativity in students and offer them a platform to showcase their skills. It inspired them to think and work creatively in order to promote electricity and non-conventional energy.

Competition was started by small inaugural program hosted by Electrical student's event coordinators. Dr. Vishal Moyal explain the aims and objective of the program and also welcomed all the participants and guest Judges. Dr. Namra Joshi followed by introducing an establishment of IIC in the institute.

After the inaugural, students were to gone to drawing room for one hour. After poster making students were presented their work on Electrical Engg. Class room and also explained their ideas and motivation towards Energy Conservation. Addition to that, students were explained about the importance of environment, Various types of non-conventional sources, electrical engineering with respective to environment.

Whole event coordinated by Prof Habiburrahman Ansari and Prof. Farha Naz, and Student coordinators team.

Following are the some of the glimpses of the Poster Making and Presenting Competition,

Towards the end for the session, all Judges announced winner's position First, second and third for poster making and presenting completion. Students were felicitated by the hands of IIC vice president, HODs of IT and Computer Engineering department. A vote of thanks was given by Prof. Farha Naz and officially declared the successful completion of the competition. For this poster making and presenting completion, all faculty, staff members and Students of Electrical Department were present.

Objectives

1. To create awareness about importance of electricity and environment.
2. To create awareness about the conservation of electricity.

Benefits:

1. This Poster making competitions raise awareness of energy conservation.
2. This Poster making and presenting competitions can motivate students and provide information regarding Energy Conservation which they can further circulate in the society.

We thank, SVKM's Management & our honorable principal Dr. Nilesh Salunke IIC President SVKM IOT, Dr. Shrikant B. Randhavane IIC Vice President, SVKM IOT, Dr. Namra Joshi, IIC Convener, SVKM IOT, and last but not the least all our departmental colleagues & students to attend this event.
