Objectives of Webinar

In line with Session Series 1, to give brief idea about what is Start up. For this the MoE's Innovation Cell, AICTE provides financial assistance to the institutes IIC. On this verge SVKM's Institute of Technology have established Institute Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of Education, MHRD, Govt. of India.

Under this council, all departments are conducting session series 1 webinars. As a part of this series, Department of Computer Engineering conducted one hour Webinar on 10th August 2022 at 10:30 am with one of the Series Session Theme **startup** and webinar topic on "First Step toward Startup".

Webinar highlights

For this webinar, as a guest speaker we have invited Speaker: - CEng. Nikhil Kulkarni, Incubation Manager-KCIIL | Director - NETRARIT Foundation | GEC-2022 India Delegate | Director of Govt. Grants and Corporate Relations -AISEA | Member - Board II&E, SGBAU, Amaravati | Ex-SVNIT, Surat Research Fellow.

Webinar was coordinate by Mr. Umakant Mandawkar, IIC Coordinator , SVKM's IOT. Webinar started by Mr. Umakant Mandawkar with welcome of all the participants and guest speaker, followed by introducing and establishment of IIC in institute. After that, he gave brief introduction of guest speaker.

After introduction speaker presented what is startup and importance of startup, ecosystem of startup, Entrepreneurship, what is incubator, role of incubator, central govt agencies, national innovation and startup policy 2019.

In This webinar, total 64 participant are present in count out of which 49 students, 14 faculty members and 2 other member.

Towards the end for the webinar, Mr. Umakant Mandawkar, Assistant Professor, Computer Engineering presented vote of thanks, and officially declared the successful completion of the webinar.

Benefits from the Webinar

Speaker nicely explained about startup ecosystem and invention. Also explained the role of research in interdisciplinary fields to commercialize the innovation from lab bench to customer.

Outcome:

Student and faculties are more confident towards startup and expected that they will explore their gained skills and knowledge in innovation practices after attending this impact lecture session.
