Value education builds overall character and personality. Understanding the importance of values, morals and ethics and implementing it in daily life, bring closer to become good human being. Under the initiative of Government of India for celebration of 75th year of independence, various activities have organized with different action plans. The following activity is successfully conducted under the theme of Action @75, Sabka Saath, Sabka Vikas, Sabka Vishwas, Sabka Prayas.

The students of Civil Engineering Student Association of Department of Civil Engineering had taken initiative to donate clothes to the needy people. As the cold season of the year approaches, the warm clothes become necessary in the nearby region. Students proposed that they have outgrown from their seasonal clothes during teenage. Rather than accumulating the clothes, it will be better to donate to those in need. Taking the base of this idea, student volunteer had circulated poster of 'Cloth Donation Drive' in all the departments of the institute to create awareness among the students and faculties. We have collected almost 400 units of clothes which are categorized in men, women, kids.

The 'Cloth Donation Drive' has successfully conducted at Ektanagar, Behind GPD, Deopur, Dhule on 12th December 2022 in presence of Dr. Shrikant B. Randhavane, Head of the Department, Prof. Basweshwar S. Jirwankar, Prof. Yogesh N. Bafna and Prof. Prerana R. Ikhar. All the collected clothes have donated to almost 250 people present on the location. Student volunteers Sakshi Gawai, Yadnya Pawar, Siddhesh Nashikkar, Nirbhay Deore, Sanket Wagh, Mayank Patil, Sayali Mehrunkar, Rushabh Khairnar have successfully conducted the distribution of clothes at the venue.

The poster features a background image of various clothing items. At the top, it reads 'SVKM'S INSTITUTE OF TECHNOLOGY, DHULE DEPARTMENT OF CIVIL ENGINEERING'. Below this, it says 'Civil Engineering Student Association under Azadi ka Amrit Mahotsav'. There are three logos: SVKM, a stylized flame logo, and CESA (Civil Engineering Student Association).
