Institute of Technology, Dhule

Approved by AICTE New Delhi | Affiliated to DBATU, Lonere

Department of Electrical Engineering

Academic Year 2022-23

Expert Talk on “Machine Learning Applications to Electrical and Electronics Engineering”

Objective	<ul style="list-style-type: none">• To educate students about the basics of Machine Learning Algorithms.• To deliberate the application of machine learning algorithm in power systems and power electronics.• To discuss the opportunities of application of machine learning algorithms in electrical engineering.	
Organizer	Department of Electrical Engineering SVKM's Institute of Technology, Dhule	
Participating Class & Division	Faculty and Students of Electrical Engineering, SVKM's IOT, Dhule	
Date	03.05.2023	
Time	3:00 PM to 5:00 PM	
Venue	Room No. 409, SVKM's Institute of Technology, Dhule.	
Coordinator/s	Dr. Namra Joshi, Assistant Professor, Electrical Engineering Department.	
Name of Speaker with Designation	Dr. Yogita Chitriv (Dubey) Assistant Dean R & D, Yeshwantrao Chavan College of Engineering Nagpur, Maharashtra.	
Brief report on activity	Recent progress in areas like machine learning and natural language processing have affected almost every industry and area of scientific research, including engineering. Machine learning and electrical engineering professionals leverage AI to build and optimize systems and also provide AI technology with new data inputs for interpretation. With this context, an expert talk was organized by the electrical engineering department of SVKM's Institute of Technology on 03 rd May 2023 for the students and faculty of Electrical Engineering. This expert lecture helped participants to understand the basics of machine learning algorithms. Also, its various applications towards electrical and electronics engineering.	
Total No. of participants	79.	
 Dr. Namra Joshi Coordinator	 Dr. Vishal Moyal Department Coordinator	 Dr. Nilesh Salunke Principal & Patron Principal
