

Department of Electrical Engineering

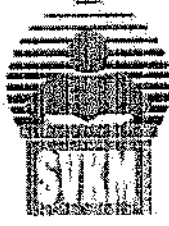

Academic Year 2018-19

Industrial visit at 132KV Substation at Awadhan (MIDC) Dhule

Objective	Our main purpose of this visit is to be familiar with industrial environment and to get practical knowledge of electrical power transmission and distribution. Being electrical year students. They will get to know about basic industrial functioning of power transmission and distribution. Students will also get familiar with Transformer maintenance, circuit breaker, Transformer isolator, bus bar, Protective relays, Lightening arresters, Load break switches, SCADA system, Current and voltage Transformer and Battery room.	
Organizer	Department of Electrical Engineering SVKM's Institute of Technology, Dhule	
Participating Class & Division	Electrical Engineering Students	
Date	17-11-2018	
Time	11.00 am	
Venue	Awadhan (MIDC) Dhule	
Organizers	Prof.Jagdish More Prof.Namra Joshi	
Brief report on activity	Department of Electrical Engineering has organized a one day Industrial Visit at 132KV Substation & Solar installation Plant At Awadhan, MIDC Dhule. which 5 Km away from the Institute. A team of 53 members comprise of 48 students,3 faculty members and two other subordinate staffs joined the industrial visit. Students have gained the technical knowledge-how to install solar substation which will help to understand deeply and coordinate with the theory which was tough in the class about Transformer isolator, bus bar, Protective relays, Lightening arresters, Load break switches, SCADA system, Current and voltage Transformer and Battery room. . And also participants have got the real industrial working environment of the transformer industry, which will help to make a ready and prepared themselves as per the industry requirement. The event was successfully held and the students were satisfied with such an industrial visit. They also suggested going more such industrial visit in the near future.	
Duration of Program	1 Day

Assistant Engineer
M. SEDCL
MIDC Dhule

Subject: Seeking Permission for Industrial visit at MSEDCL Substation.

Respected Sir,

It gives me immense pleasure to introduce SVKM's Institute of Technology, Dhule, which is one of the most reputed Institutions in Maharashtra and known for its excellent record in academics and co-curricular activities. Our institute offers engineering course in various branches. As a part of the outcome/competency based curriculum, the students are required to undertake Industrial Visits to a few industries of repute.

We feel it will be fruitful that the students with academic background have a glimpse of the industry in order to have a better appreciation of practical applications of theory.

In the above background, we would like to send a batch of about 50 students of Electrical Engineering Branch of II year accompanied by 2 Staff members to visit your esteemed industry preferably on 17/11/2018.

It is requested to you to accord the necessary permission for the above visit and arrange for guiding the students. We shall be grateful for a favorable response.

Cooperation in this regards is solicited.

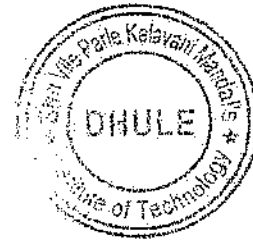

Thanking You,

With Warm Regards,

Balendu

Principal

SVKM's Institute of Technology, Dhule

AE / MIDC Unit / MSEDCL/1148 / Dt. 20 / 11/ 2018

To,

The Principal,

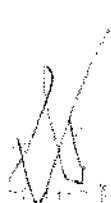

SVKM Institute of Technology, Dhule.

SUB : Regarding industrial visit at MIDC sub station, Awadhan, Dhule

Reference - Your office letter no. NIL Dated 12/11/2018

With reference to above cited subject this is to certify that second year students of Electrical engineering batch of SVKM Institute of Technology, Dhule have visited 33/11 KV MIDC Awadhan sub station, Dhule on date 17/11/2018.

This is for your information and necessary action please.

Engineer
M.S. E.P. Co. MIDC, Dhule.
