

Industrial Visit Report

Aim: To go beyond academics, industrial visit provides student a practical perspective on the world of work.

Objective:

1. To bridge the gap between classroom theoretical training and practical learning in a real-life environment.
2. To provide students an insight regarding internal working of companies.

Event Organizer: Prof. Bhushan Nandwalkar

Participant Count: 63 (SY Comp)

Industry Details: PHONEIX Nitiraj Engineers Ltd

J-25/26, MIDC Awdhaan,

Dhule-424006, Maharashtra,

Speakers: Mr. Prakash (Production Manager Nitiraj Engineers)

Mr. Sandeep Bhosle, (HR Manager, Nitiraj Engineers)

Summary:

The industrial visit was held on 9th May 2022. Initially there was a presentation on the Working Culture, different departments, products in market and clients in India as well as outside of India at Nitiraj Engineers, for the student and various aspects as working culture, soft skills and attitude. These all the aspects conveyed by Mr. Sandeep Bhosle who was HR and Mr. Prakash who is production manager at Nitiraj Engineers at Dhule.

There were two teams formed for tour of manufacturing units. Students visited all departments of company (Inward, PCB Design, SMT-Software, Mechanical). In SMT department student learn how to fabricate PCB automatically as well as how to program the fabrication of PCB.

During visit of electromagnetic department Mr. Parkash explain how electromagnetic weighing machine works also he explains PBMI series machine which is used for body mass index.

Thereafter students were taken to visit the various departments at Nitiraj Engineers at Dhule.

At our industrial visit we studied about following points

- Software development life cycle.
- Various emerging technologies.

- Hierarchy in Production Industries
- Interview tips and techniques.
- How Software Engineers can work with production base Industries.
- A short video shown on working culture at Nitiraj Engineers at Dhule.

At around 1.30 pm visit was over.
