**Industrial Visit**

**Organized by:**

**Dept. of Applied Sciences & Humanities**

**Shri Vile Parle Kelavani Mandal's**

**Institute of Technology, Dhule**

**(AY: 2021-22)**

## **Activity Report:**

### **Aim:**

To foster the attitude of curiosity about the application of Engineering Knowledge in Industry.

### **Objective:**

To familiarize with Industry application of Engineering knowledge.

To understand the functioning of organization.

To know the role of communication at workplace.

### **Name of Activity:**

“One-day Industrial Visit to Savera Moulding Pvt Ltd”

### **Date of activity:**

Thursday, 2<sup>nd</sup> June 2022

### **Time:**

9:30 AM – 6:30 PM

### **Convener:**

Dr. Tushar Shinde

### **Patron:**

Dr. Nilesh Salunke

### **Coordinators:**

Dr Rajiv Junne

Dr Manoj Sonawane

Mr Lahu Aware

Mr Prashant Gawade

Dr Sambaji Rao

Mr Chandu Koli

Mr Sachin Nerkar

Dr Shakeel Rehman

## **Participants:**

All the students of First Year Engineering. Altogether 166 students were the participants.

## **Outcome:** Participants learned:

- 1) Industry oriented application of Engineering knowledge.
- 2) Familiarized well with the working and functioning of organizations.
- 3) Significance of communication at workplace.

## **Activity Details:**

Dept of Applied Science and Humanities organized Industrial Visit for First Year students at Savera Moulding Pvt Ltd, Aurangabad Plant. Altogether, 166 students and 09 faculty members along with Dr. Tushar Shinde, HOD, visited the Plant.

Manager of the company received with warm greetings and thoroughly cooperated during the entire visit. He asked his supervisors to introduce students about different sections of industry.

He shared his industrial experience how he started his journey as entrepreneur and motivated the students about entrepreneurship. Even a few of students also shared their visit experience.

## **The photos of visit are attached hereafter:**

Faculties and Students while departing in the early morning.

Visit at Savera Moulding Pvt. Ltd. Aurangabad

Manager of the Company informing to the students about the Plant.

Manager of the Company informing to the students about the functioning.

**POs Mapped:**

**Justification for mapping:**

PO Mapped	Justification
7	Students understand the impact of the engineering solutions in societal and environmental contexts and demonstrate the knowledge of, and need for sustainable development.
9	Students learn how to function effectively as an individual and as a member or leader in diverse teams and in multidisciplinary settings.
10	Students learn to communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.
12	Students recognize the need for and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

**PO Attainment Level:**

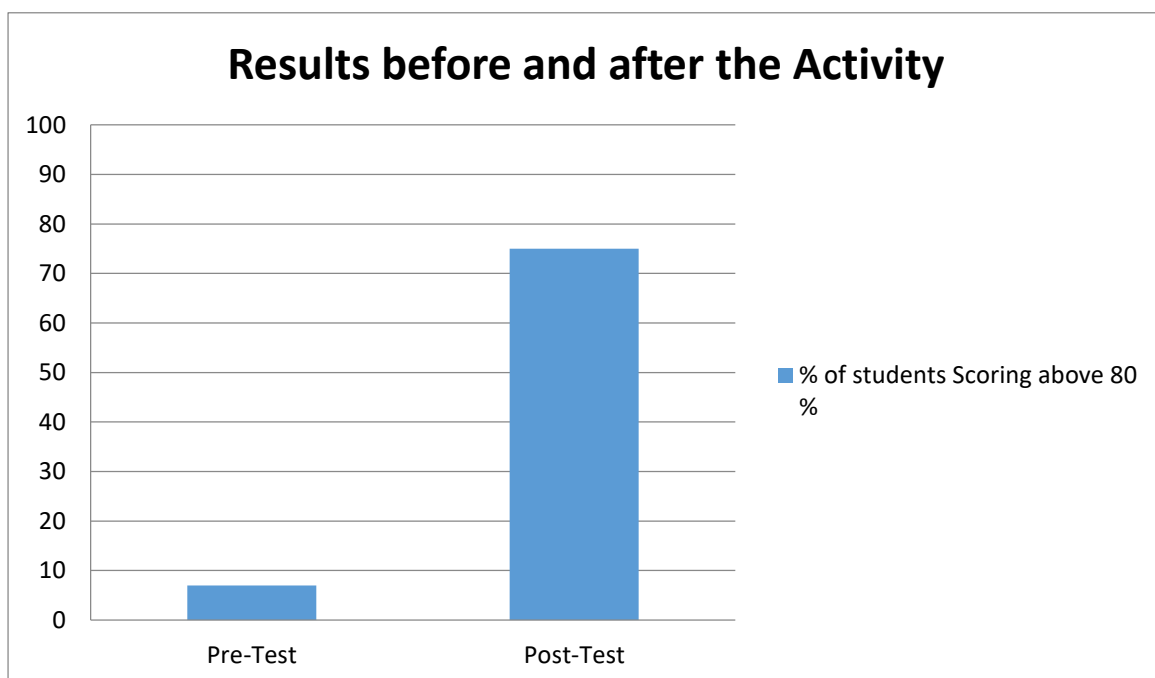

Attainment Level	Description
Level 1 : Low	50% of students scoring more than set attainment level.
Level 2 : Medium	60% of students scoring more than set attainment level.
Level 3 : High	70% of students scoring more than set attainment level.

**Overall Attainment:** Level 3

**PO's Attained:** 7, 9, 10 & 12

**Analysis of Feedback:**

## Savera Auto Comps Pvt. Ltd. (Unit-II)

Thursday 02 July 2022

### To Whomsoever It May Concern

Dear Sir:

Greetings from Savera Moulding Pvt. Ltd.

This is to certify that the Department of Applied Sciences and Humanities of SVKM's Institute of Technology, Dhule, along with 166 students and 09 faculties has visited Savera Moulding Pvt. Ltd., Aurangabad Plant, on Thursday, 2<sup>nd</sup> June 2022. We were very much pleased to demonstrate the entire manufacturing unit and its process along with the packing process to all the First Year Engineering Students of SVKM's IOT, Dhule. We appreciate the inquisitive approach of the students to know about the functioning of the industry in detail which we believe will foster the attitude of enquiry in them.

We are very happy to have such kind of budding engineering to cater contemporary needs of today's global society.

We wish them better career prospectus in future.

Thanks

Yours truly
