#### ABOUT SVKM

Shri Vile Parle Kelavani Mandal is a Public Charitable Trust registered under the Society's Registration Act and Bombay Public Trust Act. From its humble beginnings in 1934, when it took over the Rashtriya Shala, a school established in 1921 in the wake of the National Movement, the Mandal today has grown into a big educational complex imparting high-level education to more than 35,000 students. After beginning its journey in the early 1930s, SVKM has blossomed into an educational colossus that has attained national recognition in multiple streams of higher education. With a strong guiding philosophy of providing education to all levels of the student community along with creating a feeling of bonding and commitment amongst academic and non-academic employees.

#### ABOUT SVKM'S -IOT, DHULE

SVKMs Dhule Campus Dhule is largely emerging as one of the biggest future hubs of technology and Education. It has gained a strategic advantage for being on the junction of three National Highways viz. NH-3, NH-6, and NH-211. Dhule is aiming to develop into an industrial town which may provide next generation technologies across infrastructure sectors. Our president has a dream to make Dhule city known for its quality education institutes. SVKM has taken an initiative to develop state-of-the-art engineering and pharmacy institute that will impart quality education in Dhule. Spread over 33 acres of land on the outskirts of Dhule, it will house colleges as SVKM's Institute of Technology.

### ABOUT THE STTP

Department of Electrical Engineering, SVKM's Institute of Technology, Dhule, Maharashtra India is organizing a five Day Training Program on "Recent trends in power system" on 13th to 17th December, 2022. This training will drive transformation in the power sector, presents a framework for evaluating decisions regarding the extent and pace of change, and defines pathways for transformation. The training aims to provide a platform to the researchers and practitioners from both academics as well as industry to meet and share cutting edge development in the field.
