Activity 5

Expert talk on Career Opportunities in Software Testing and Quality Assurance

Aim: To explore career opportunities in software testing and quality assurance.

Objective: To learn planning of a test project, designing test cases and test data, and generating a test report and managing software quality assurance processes and procedures.

Name of Program: Expert talk on Career Opportunities in Software Testing and Quality Assurance
Event Date: 19th Oct. 2020
Session Moderator: Ms. Rubi Mandal
Convener: Dr. Bhushan Chaudhari
Organizing Members: Sagar Badjate, Nitin Kawde, Raj Yadav.

Participants: SY, TY and B.Tech IT Students

Outcomes: Participants learned:

- To apply software testing knowledge and its processes to software applications.
- To identify various software testing job oppurtunities.
- To solve software testing problems by designing.
- To select software test models, criteria, strategies and methods.
- To apply the techniques learned to improve the quality of software development.
- To prepare a software quality plan for a software project.

Resource Person:
Rohan Trevor Pereira
Technical Lead in Quality Assurance & Testing
Bank of New York Mellon Technology

Activity Brief:

The event was organized on 19 Oct. 2020 at 10am on Microsoft Teams online platform. Session started with welcome speech by Head of Department Dr. Bhushan Chaudhari. He enlightened the importance of career opportunities in software testing and quality assurance. The expert Rohan Trevor Pereira covered firstly software testing and its needs. There after he focused on types and levels of testing with its importance in industry. He discussed STLC cycles and explained basic testing artifacts. Thereafter had a hand on session on test case writing from a requirement document. Jira project and test management tool and creation of defects, bugs and task were also covered. Thereafter he discussed international certifications related to testing. Overview and importance of automation with few tools and sample automation demo was done.
