Report on
Online Student Induction Program
SIP- 2021

Transition from school to university/college life is one of the most challenging events in a student's life. When new students enter an institution, they come with diverse thoughts, background and preparations. They come into a new unfamiliar environment and many of them have little knowledge of a university/college. An Important task is to welcome new students to Higher education and prepare them for their new role; before regular classes start. Therefore, the department of Applied Science and Humanities, SVKM's Institute of Technology, Dhule organized Online Student Induction Program (SIP-2021)

Online SIP -2021 was conducted from 25th to 30th of January 2021 under the guidance of Dr. Nilesh Salunke, Principal and Coordinated by Dr. Tushar Shinde, First Year Coordinator. Every day session started at 10:00 am and concluded at 1:00 pm, through Microsoft Teams platform. Around 150 students participated in this program.

The resource person, their addressed topics and the session in-charge are listed below:

Relationship

The family is the basic unit or building block of human organisation. It extends beyond the blood relationships – to friends, classmates and teachers in school, and now batch mates and faculty in college.

How do we want to live with them? With mutual fulfillment, mutual happiness or some other way?

The harmony in the family has primarily to do with the fulfillment of relationship between one human being.

Can we talk about the feelings with definiteness?

In order to fulfil relationship

- Yes, they are definite, they can be discussed with definiteness
- No, feelings are abstract, they cannot be discussed with definiteness

These are the four aspects

- Relationship is**
 - Relationship is air.
 - Relationship is between two self (1₁) and another self (1₂)
 - The Body is used for expression
- There are feelings in relationship**
 - in one self (1₁) for the other self (1₂)
- These feelings can be recognized**
 - they are definite
- Their fulfillment leads to mutual happiness**

Activity 4

Expert talk on Report Writing Using Latex

Aim: To use LaTeX for report writing for project and seminars.

Objective: To motivate the students to use LaTeX for report writing.

Name of Program: Expert talk on Report Writing Using Latex

Event Date: 13th Oct. 2020

Convener: Dr. Bhushan Chaudhari

Session Moderator: Sagar Badjate

Organizing Team: Rubi Mandal, Nitin Kawde, Raj Yadav.

Participants: SY, TY and B.Tech Students

Outcomes: Participants learned:

- Typeset mathematical formulae using LaTeX.
- Use the preamble of LaTeX file to define document class and layout options.
- Use nested list and enumerate environments within a document.
- Use tabular and array environments within LaTeX document.
- Use various methods to either create or import graphics into a LaTeX document.
- Use the beamer package to create presentations.
- Define and use new commands within LaTeX.
- Use Theorem, Corollary, and other environments.
- Use BibTeX to maintain bibliographic information and to generate a bibliography for a particular document.

Resource Person:

Dr. Nitin More

Assistant Professor

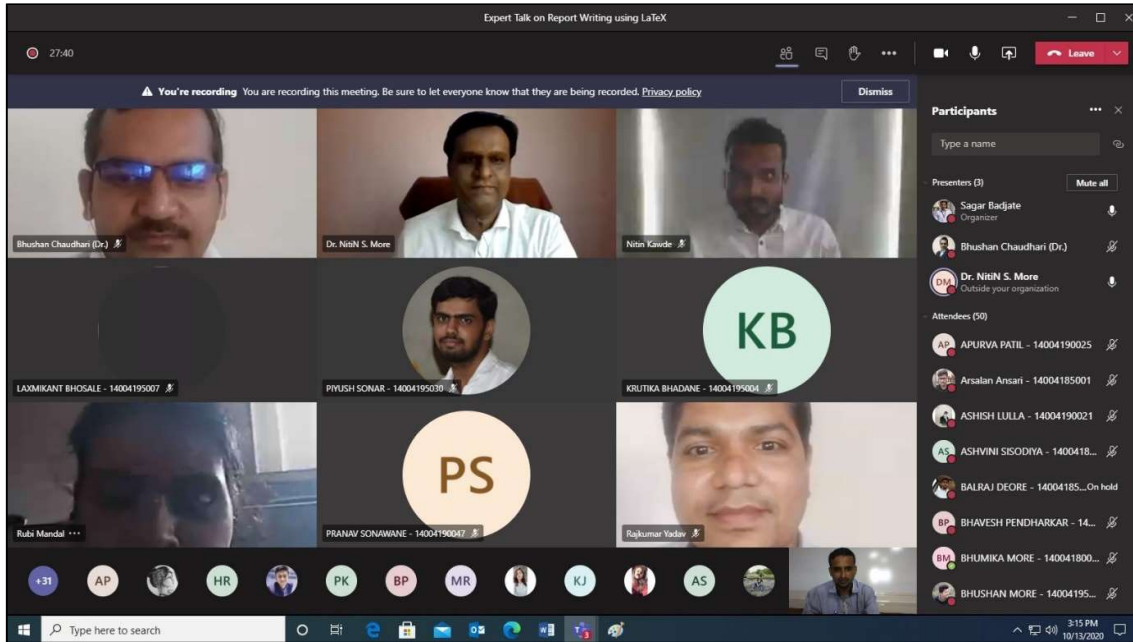

Kashibai Navale College of Engineering, Pune

Activity Brief:

The event was organized on 13 Oct. 2020 at 3pm on Microsoft Teams online platform. Session started with welcome speech by Sagar Badjate. Head of Department Dr. Bhushan Chaudhari enlightened the student's importance report writing using latex. The expert Dr. Nitin More covered template creation of project report and seminar report. He also covered different technical aspects such as mathematical formula addition, use of MikText and BibText package of Latex, preamble of latex to define document and layout option; also, he added table creation and setting of alignments in document. lastly session was ended with

question answer session and vote of thanks proposed by Prof. Sagar Badjate. Total 50 participants have attended this session.

WORKSHOP ON PLC AND SCADA

Objective	The objective of the event was Hands on Experience of Programmable Logic controller programming. This workshop also include Programming of SCADA. And Interfacing of SCADA with Programmable logic controllers. Studying various protocols using PLC and SCADA. This event was conducted by The world of Automation, Chinchwad, Pune. We are thankful to Mr. Dinesh director, The world of Automation, Chinchwad, Pune. for conducting successfully this 2 day workshop.	
Organizer	Department of Electrical Engineering SVKM's Institute of Technology, Dhule	
Participating Class & Division	SE, TE, and BE Electrical Engineering students	
Date	29 th and 30 th May 2021	
Time	10:00 AM to 05:00 PM	
Venue	Online MS Team platform	
Coordinator/s	Mr. G.B. Patil	
Name of Speaker with Designation	Mr. Dinesh Director, The world of Automation, Chinchwad, Pune.	
Brief report on activity	<p>The event was organized with the prior permission and guidance of Honorable Principal Sir. It was supported by I/C HOD of Electrical Engineering Dept. Dr. Vishal Moyal. This event coordinated by Prof. Gaurav Patil. All the UG students (SE, TE, and BE) of EE department join this workshop as a participant. The event was very helpful to the UG students to learn and to have hands on PLC and SCADA technology. They learned how to atomize the system using Programmable Logic Controller (PLC) programing and to design the same in SCADA software. Students shared their expertise by doing small project using the free PLC software, they were also happy to take up their UG project in PLC and SCADA and implement new ideas on automation.</p> <p>This workshop will increase employability and will create confidence among students, which will help them in future venture in industry, in the area of automation.</p>

Respected Sir/ Madam,

On Behalf of the SVKM's Institute of Technology Dhule, Department of Electrical Engineering. We wanted to express our appreciation to you for conduction of "**Workshop on PLC and SCADA**" held on **May 29th and 30th, 2021**. It was extremely informative session for all participants. Our students and participants learned many things of industrial automation, its optimization process and learned basics of PLC and SCADA.

We appreciate your personally taking time to provide us with the timely information. Once again, thank you for making the workshop successful, and we appreciate your continued support.

Thanking You,

Mr. G. B. Patil

To,
The World of Automation,
Chinchwad, Pune.

Respected Sir/ Madam,

We take this opportunity to invite you, to conduct ~~Two~~-Day workshop on "PLC & SCADA" organized by Electrical Engineering Department, on 30th and 29th of May 2021. This workshop will provide premier forum for the discussion of new advances and research results in the fields of PLC & SCADA. The series will bring together academicians, leading researchers, engineers and scientists in the domain of interest from around the nearby area.

In this regard, we affably invite the Doctorate persons, Ph.D. pursuing students, Master's and Faculty from Engineering Colleges, Research Organization and Multi National Software Organizations, to guide our student, researchers that help them to exhibit their inherent talent and have an opportunity in intermingle with the eminent personalities in fields of Engineering and Technologies.

Thanking You,

Notice

All the students of Mechanical engineering are hereby informed that, an **Expert talk on Pre-research Writing Tools: Mendeley and Grammarly** is scheduled as follows -

Date: September 26, 2020 (Saturday)

Time: 10:30 AM to 12:00 PM

Event Description:

Are you a researcher or a student looking to enhance your research writing skills? Join us for an informative session on the use of two powerful tools, Mendeley and Grammarly, to streamline your pre-research writing process. **Prof. Bhushan C. Behede**, an expert in academic writing, will guide you through the features and benefits of these tools and show you how to make the most of them in your research work.

Agenda:

- Introduction to Mendeley: Managing References and Citations
- Hands-on Demonstration: Organizing Your Research Papers with Mendeley
- Introduction to Grammarly: Writing Assistance and Proofreading
- Live Editing Session: Using Grammarly to Improve Your Writing
- Q&A Session: Get Your Questions Answered by Prof. Bhushan C. Behede

We look forward to having you at the event!

Interactive Session on 'Preparing for Placements: Tips and Techniques'

Aim: To explore preparation basics for placement drives.

Objective: To make SYIT and TYIT students aware about key skills required in placement drives.

Convener: Dr. Bhushan Chaudhari

Session Moderator: Ms. Sakshi Jain (student), President, ITSA

Organizing Team: Mr. Sagar Badjate, Ms. Ruby Mandal, Mr. Raj Yadav, Mr. Nitin Kawde and team ITSA

Participants: Students of SYIT and TYIT, SVKM's IoT

Outcomes: Participants learned about:

- Benefits of compiling company profile before appearing for interview
- Aptitude and analytical skills essential for getting placement
- Interview etiquettes
- Smart ways to crack technical interviews.
- Importance of soft skills

Resource Person(s):

Mr. Vivek Khairnar, Final Year IT (Placed in Wipro)

Mr. Mustafa Saiffee, Final Year IT (Microsoft Intern)

Ms. Shivani Sharma, Final Year IT (Placed in Jaro Education)

Activity Brief:

Department of Information Technology always support and motivate students for achieving greater heights in academics and to uplift their career by achieving placements in reputed industries. As a part of the same, this event was conducted on 15th May 2021 at 11:00 am. Event started with welcome address by Dr. Bhushan Chaudhari, Coordinator, IT Dept. Dr. Bhushan explained the objective of this event and motivated participants to take maximum advantage. The event was coordinated by Information Technology Student Association (ITSA) and conducted online using MS Teams platform. Final year students (invited as experts) interacted well with participants and answered their queries. Total 79 students attended this webinar. Mr. Mihir Khandelwal (SYIT student) presented vote of thanks.

Notice

All the students of Mechanical engineering are hereby informed that, an **Expert talk on Pre-research Writing Tools: Mendeley and Grammarly** is scheduled as follows -

Date: September 26, 2020 (Saturday)

Time: 10:30 AM to 12:00 PM

Event Description:

Are you a researcher or a student looking to enhance your research writing skills? Join us for an informative session on the use of two powerful tools, Mendeley and Grammarly, to streamline your pre-research writing process. **Prof. Bhushan C. Behede**, an expert in academic writing, will guide you through the features and benefits of these tools and show you how to make the most of them in your research work.

Agenda:

- Introduction to Mendeley: Managing References and Citations
- Hands-on Demonstration: Organizing Your Research Papers with Mendeley

Activity Report

Aim: To provide guidelines about dates of Gate-2021 and to provide knowledge how to do study to crack GATE-2021

Objective: To get qualify GATE-2021

Name of Program: GATE-2021 Preparation

Date: 29th September 2020

Resource Person: Prof. Ashish Awate

Convener: Prof. Khalid Alfatmi

Mode: online MSteam Platform

Participants:50 students from SVKM's Institute of Technology, Dhule

Outcomes: Participants learned:

- 1) knowledge how to fill GATE-2021 form
- 2) How to start GATE Preparation

Department of Computer Engineering organized webinar on "Gate-2021 Preparation" dated on 29th Sept 2021. The resource person for this workshop was Prof. Ashish Awate, Assistant Professor, Computer Engineering, SVKM's Institute of Technology, Dhule. He guided how to register for gate2021 exam and what is the eligibility criteria to appear for exam. He motivated students to enroll for gate exam. He has elaborated importance of gate and where can get job with respective of GATE2021. He again highlighted how to go for higher studies with Gate2021. Prof. Ashish Awate also shown how to do study to crack gate2021. Prof. Khalid Alfatmin (Head of the Department of Computer Engineering) announced that gate classes for students will be conducted by departmental faculties from this week onwards. More than 50 students were appeared for this webinar and more than 30 students shown interest to appear for GATE classes at SVKM's Institute of Technology, Dhule. Dr. Nilesh Salunke(Principal) given best wishes to all the students and congratulate Prof. Ashish Awate(Assistant Professor) and Prof. Khalid Alfatmi(Head of Computer Engineering Department)for such nice initiative.
