Eco Friendly Ganesha Celebration: A sustainable initiative by Institute students

### **About Event:**

In an era where environmental consciousness is paramount, the students of SVKM's Institute of Technology, Dhule, took a significant step towards sustainable celebrations by adopting eco-friendly practices during this year's Ganesha festival on 9 Sept. 2022. With a shared vision of preserving our environment, the institute community came together to promote a greener and more responsible approach to traditional festivities. Total 30 students participated for this event.

The eco-friendly Ganesha celebrations organized by the students of our institute stand as a shining example of our commitment to environmental stewardship. We have not only reduced our ecological footprint but also set a precedent for future celebrations. Through our collective efforts, we hope to inspire others to embrace sustainable traditions and safeguard our planet for generations to come.
