## Report on Student Induction Program

### SIP- 2021-22

Transition from school to university/college life is one of the most challenging events in a student's life. When new students enter an institution, they come with diverse thoughts, background and preparations. They come into a new unfamiliar environment and many of them have little knowledge of a university/college. An Important task is to welcome new students to Higher education and prepare them for their new role; before regular classes start. Therefore, the department of Applied Science and Humanities, SVKM's Institute of Technology, Dhule organized Online Student Induction Program (SIP-2021-22)

Student Induction Program -2021-22 was conducted from 22<sup>nd</sup> to 28<sup>th</sup> of December 2021 under the guidance of Dr. Nilesh Salunke, Principal and Coordinated by Dr. Tushar Shinde, First Year HOD. ### Brief Report on Swami Vivekanand Jayanti

Title of Event : "Swami Vivekanand Jayanti"  
Date : 12th January 2022  
Organized by : Organized by N.S.S. Unit of SVKM Institute of Technology,

#### **Background:**

**Swami Vivekananda** ( 12 January 1863 – 4 July 1902), born **Narendranath Datta** was an Indian Hindu monk and philosopher. He was a chief disciple of the 19th-century Indian mystic Ramakrishna. Influenced by Western esotericism, he was a key figure in the introduction of the Indian darsanas (teachings, practices) of Vedanta and Yoga to the Western world, and is credited with raising interfaith awareness, bringing Hinduism to the status of a major world religion during the late 19th century. He is perhaps best known for his speech which began with the words "Sisters and brothers of America ...", in which he introduced Hinduism at the Parliament of the World's Religions in Chicago in 1893.

*"The earth, the air, the land, and the water are not an inheritance from our forefathers but on loan from our children. So we have to hand over to them at least as it was handed over to us."*

— Mahatma Gandhi

Gandhiji always strived for a cleaner India. Cleaning plays a vital role in our daily lives. Be it personal hygiene, such as washing our hands before we eat or covering our mouths when we cough, or setting a standard for environmental cleanliness, effective cleaning is our first line of defense against viruses and infectious diseases. While in healthcare environments the practical value of cleaning is widely accepted, in other fields such as education, property management, foodservice and hospitality, it is seen only as a necessary expense. Most building owners and facility managers view cleaning as a cost rather than an investment. As cleaning solution providers, we need to explain to executives, especially those "who hold the purse strings," that maintaining a clean environment can pay for itself many times over, and often in surprising ways.

There are lot of diseases can be traced back to unhygienic environments and irresponsible waste disposal. The importance of cleanliness is known to all now, yet people try to keep their homes clean while they somehow just forget that they are responsible for the cleanliness of the environment as well, that they are responsible for any waste they generate and that just getting rid of it from their house won't help. It could be

due to lack of knowledge or due to sheer laziness or due to irresponsibility. Sometimes all it takes is a reminder.

On the other side, Azadi Ka Amrit Mahotsav is an initiative of the Government of India to celebrate and commemorate 75 years of progressive India and the glorious history of its people, culture and achievements. This Mahotsav is dedicated to the people of India who have not only been instrumental in bringing India thus far in its evolutionary journey but also hold within them the power and potential to enable Prime Minister Modi's vision of activating India 2.0, fuelled by the spirit of Atmanirbhar Bharat.

Azadi ka Amrit Mahotsav is an embodiment of all that is progressive about India's socio-cultural, political and economic identity. The official journey of "Azadi ka Amrit Mahotsav" commences on 12th March, 2021 which starts a 75 week countdown to our 75th anniversary of Independence.

Thus, under the banner of "Azadi Ka Amrut Mahotsav", Department of Civil Engineering and Civil Engineering Students Association (CESA) in association with National Service Scheme (NSS) has organized "Cleanliness Drive" at Varkhede Village (Dist. Dhule). The main purpose of this programme was to create awareness among the students regarding Cleanliness and its benefits. Hence, through Cleanliness Drive, an attempt has been made to make people aware of the importance and methods of handling waste responsibly and try to take a step towards a cleaner environment.

There were total 71 students, and 12 faculties have participated in the event willingly. The program was started with discussion of importance of clean environment. Then students were divided into 4 groups and started to clean the streets and explained the importance of cleaning to the village people. Cleanliness Drives through which we make people aware of the importance and methods of handling waste responsibly and try to take a step towards a cleaner environment. The event was concluded with visit to school and feedback/experience of participants.

It was a unique experience for everyone and everyone were curious to be the part of this great drive that could have transformed the face of our country for ever.
